### ABOUT ME

I am a self taught UI/UX Designer and a Frontend Developer, and I love working primarily with web design and development using React JS.

### EXPERIENCE WITH WEB DEVELOPMENT

  **REACTION UI** 😊  
  It is a React JS UI Component Library fully built in Styled Component and ES6 and packaged on NPM.  
 <https://reaction-ui-docs.vercel.app/>

  **GRO-MrKT** 🛒  
  It is a Grocery Market Shopping Cart App built with React, Redux React Router, Sass and Styled Components.  
<https://gro-mrkt.netlify.app/>

  **ReChat** 💬  
  Its a chat app, enabling creating and chatting in custom room, made using React, Express and Socket.io  
 <https://react-chat-app-client.vercel.app/>

 **Weather App** ☁️  
 Its a weather forecast app using HTML, CSS, Vanilla JS using OpenWeatherMap.org API  
 <https://weather-forecast-app.vercel.app/>
